Nonprofit Leadership & Management (NPLM) Youth Academy

Nonprofit Leadership and Management (NPLM) Youth Academy

Programme Overview

The Nonprofit Leadership and Management Youth Academy Programme is targeted at young and emerging nonprofit leaders within the ages 18 - 35 in Africa. Participants learn about feminist leadership principles, skills to grow their organizations and movements to build purposeful careers in the nonprofit sector and lead important social innovation initiatives with refined tools and greater confidence.

Participants are equipped with the skills required to elevate their voices and enable them to respond to the intersectional/cross cutting challenges they are faced with in the society. The programme has been designed to cultivate three pillars of competencies required to lead a nonprofit organisation – leadership effectiveness, business fundamentals, and social innovation. Participants will have an immersive learning experience in leadership and strategic planning, exploring nonprofit organisational development; human resources and volunteer management; financial stewardship and corporate governance.
