TAKE THE STEP FUEL YOUR GROWTH

Are you a professional with at least 3 years of experience, looking to boost your career and increase your earning potential? Or you are an entrepreneur or media mogul looking to build a sustainable business in Africa?

LBS MBA teaches the fundamentals of doing business in dynamic markets across Africa and the globe. It positions you for rapid career growth and leadership.

It is a full-time programme which runs from Mondays to Fridays.

FOR WHOM?

This is a full-time MBA programme that runs from Mondays to Fridays for professionals or entrepreneurs with at least 3 years experience.

- Those who wish to combine their work and their MBA, and therefore require increased flexibility beyond what the regular MBA programme offers

This programme is 60% online and 40% hybrid (the hybrid component allows you to be on-campus or remain online if you choose).

Developing relevant and competitive skills needed to jump-start your career or start a business has become more important in emerging economies, thereby creating career and entrepreneurship opportunities for only those who are prepared.

With our internationally accredited MBA, you will have a detailed understanding of doing business in complex and dynamic markets, whilst giving you an opportunity to interact with fellow MBAs in other business schools around the world with our international exchange programmes.

CAREER BOOST

Give your career a massive boost by developing the leadership and managerial skills to lead and achieve desired results; majority of our graduates get a promotion

CAREER CHANGE

Re-skill and up-skill for a successful career change; master two of the most important skills of the future i.e. critical thinking and problem-solving

INTERNATIONAL EXPERIENCE & INDUSTRY ENGAGEMENT

International exchange programmes with leading schools in Europe, America, Africa and Asia, and engagement with businesses in Africa.

PRACTICAL LEARNING

Practical approach to learning with real-life case studies and interactions between participants and facilitators

GLOBALLY RENOWNED FACULTY

Award-winning faculty with in-depth management and business teaching experience

PROGRAMME STRUCTURE

The focus over the years has been to develop responsible leaders for Africa, starting from Nigeria. Our MBA gives you a bird's-eye view of management and business disciplines supplemented with strong industry engagement and relevance. You will acquire salient skills including critical thinking, leadership, entrepreneurship and innovation. The full-time MBA programme runs from Mondays to Fridays. To harness these skills and apply the learning received from the MBA programme, we organise 12 weeks of corporate fellowships with different organisations in and outside Nigeria after nine months on the programme.

Participants on the MBA programme also have the opportunity to participate in an international exchange programme and take electives with our partner business schools.

ELECTIVES

The revised MBA curriculum features elective courses, which can be taken with our partner schools worldwide during exchange programmes. They include: Managing Business Risk in Africa, Entrepreneurial Finance and Agri-business Management.

GLOBAL NETWORK FOR
ADVANCED MANAGEMENT

Lagos Business School is a member of the Global Network for Advanced Management (GNAM), a group of top international business schools that prepares students for a global world where diversity in the way markets work and organisations operate is positively exploited.

CAREER AND PERSONAL DEVELOPMENT

As part of the programme, you will have access to our Career Office, which is committed to providing you the best available resources and expertise to enable you identify your career goals, thereby creating an optimal fit with the corporate environment.

▀▀ The MBA stretches you. You gain leadership skills... You are able to take on just about any challenge in the workplace.

PARTNERSHIP AND EXCHANGES WITH FOREIGN BUSINESS PARTNER SCHOOLS

LBS has a growing list of business school partners with whom student exchanges are regularly organised, as well as collaborations on programme and research. Exchange programmes are organised at no extra tuition cost.

YALE SCHOOL OF MANAGEMENT

Lagos Business School has joined the list of leading institutions to partner with Yale University, School of Business Management.

MASTER OF ADVANCED MANAGEMENT

The Yale School of Management (SOM) offers degree programmes for MBA students post-graduation to further their management education. Yale SOM offers a one-year Master of Advanced Management (MAM) to LBS MBA graduates. The MAM is a programme for exceptional MBAs from the Global Network for Advanced Management schools who aspire to become global leaders for business and society.

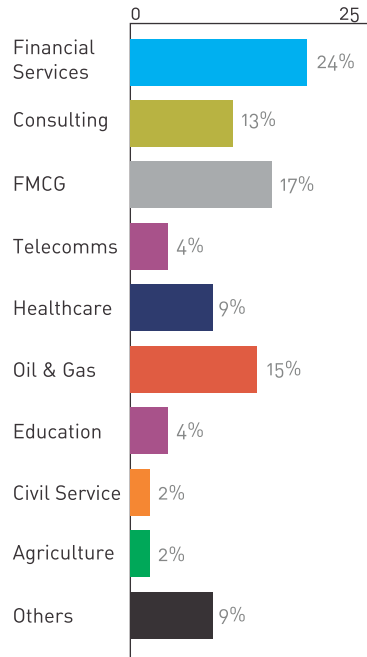

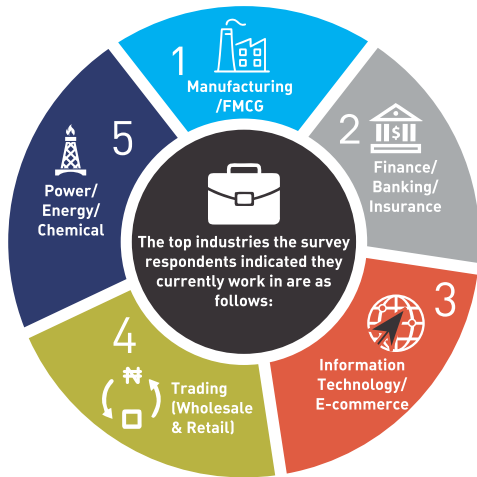

YALE INTERNATIONAL LEADERSHIP CASE COMPETITION (ILCC)

MBA students of the Lagos Business School participate regularly in the Yale School of Management Integrated Leadership Case Competition (ILCC). The ILCC was created to convene the best students from participating universities in developing creative solutions for business challenges that require the integration of multiple disciplines. Competing teams will be given the raw case on the day of the competition, and at the end of the day, teams will present their ideas to a panel of esteemed judges representing Yale faculty, sponsors, and corporate leaders. In addition to the ILCC are other case competitions available locally and internationally.

IESE PAN-AFRICAN EMBA MODULE

On the Executive MBA programmes, students have the option of spending a week in IESE Business School, Barcelona. There, students are further exposed to international business management practices, managerial decisions across cultures and other custom modules designed by LBS and IESE. Pan-African modules are also organised in conjunction with Arizona Business School, USA; Nanyang Business School, Singapore; Strathmore Business School, Kenya, and University of Stellenbosch Business School, South Africa.
